Question 33 of the Compendium of the Catechism

What are the symbols of faith?

The symbols of faith are composite formulas, also called “professions of faith” or “Creeds”, with which the Church from her very beginning has set forth synthetically and handed on her own faith in a language that is normative and common to all the faithful.

Question 34 of the Compendium of the Catechism

What are the most ancient symbols (professions) of faith?

The most ancient symbols of faith are the *baptismal* creeds. Because Baptism is conferred “in the name of the Father, and of the Son, and of the Holy Spirit” (*Matthew* 28:19), the truths of faith professed at Baptism are articulated in reference to the three Persons of the Most Holy Trinity.

A reflection from Pope Francis for the Year of Prayer, On the Twelfth Sunday of the Year: Three parables in Luke's Gospel emphasize how we need to be constant in our prayer. In the first a man asks for help from a friend in the middle of the night and does not give up until his friend responds; in the second a widow persists in asking the unrighteous judge for justice; in the third a publican and a Pharisee pray in the Temple. We see these three attitudes – insistence, patience and humility – reflected in the saints who persevered in prayer; may we persevere in prayer conscious that we never pray alone, but with Christ himself, in the power of the Holy Spirit. See dioceseofnottingham.uk/yearofprayer.
